	pertinent for (Child)'s best interest as well as how Mom will respond and who she will reach out to when she is triggered, threatened or spam texted by Dad. 4. Managing unpredictability in Mom's life and how that could lead to overwhelm. This safety planning session will unpack more of the "what ifs" and the stressors that could come up or have come up that have caused Mom to struggle and isolate. SW and Mom and her la paraantii will examine how to respond when unplanned events happen and how she is <i>"Learning to live life on life's terms"</i> ** please use the Step 6 document to help with the structure and creation of the safety plans and amend the safety plan at each meeting and make sure it is signed and everyone has a copy. Each safety planning meeting we will be evolving the initial interim safety plan and reviewing the monitoring tools (through

MICHIF PRACTICE TIMELINE

Weeks 12-36 Reunification and Monitoring	We will want to have the first paraantii meeting in this phase to work through which rules of the adult safety plan (Child) will need to understand. We will ask LMO ECD worker to help us sort through those rules (no more than 6) in a child friendly words and pics format for (Child). The subsequent meetings will always be sharing what is working and what we need to adapt as well in this monitoring phase based on input from (Child) as well. During this time through summer break we will meeting monthly to manage the safety plan and see how it is going – We will also want to do some Fire drills – Mom, la paraantii and SW will sort through how do we test the plan? We will also want to check in with caregivers and see what they are willing to do moving forward and how (Child) can continue to have connection to them while she is living with her mom. Feast, celebration, honouring, with everyone who has been a part of this journey that is willing to come – Captain of the Plan to share highlights of the work that Mom has done	Approximately 6 la paraantii meetings during this time - one every month Last 2 meetings will have Captain of the plan facilitating with SW Edwards advising 1 meeting with the (Child) and Mom to share the safety plan words and pics with her. SW to meet with (Child) at least every other month to rescale her scale from her safety cabin and get her input on how the planning is going. 1 meeting with Caregivers and resource SWer in Kelowna. 1 celebration meal – (Child)s favourite meal	July: Increase access to 5 days bi-weekly Thursday PM to Tuesday PM every other week Aug 2 full weeks a month Sept Mon – Friday with Mom and Caregivers to have (Child) on the weekends Oct Caregivers to have (Child) every other weekend or however they agree to continue the relationship but hopefully at least one weekend/month.
