

**This is the story about.....written by mom and dad with help  
from SW.....**

**DATE:**

Start with good stuff..... parents meeting, where their name comes from, people who love them etc.

Who is worried?

What are they worried about?

What happened then?(often 2 frames or more)

What are we doing to sort out the worries and who are my paraantii?

Metis Cultural wisdom and ending in a positive re: visits or next steps etc.
